Special terms and conditions-Version:1 effective from 15-03-2024 for category OEM / Compatible

Cartridge / Consumable

1. (1) OEM Cartridge covered in the category is the cartridge having the brand of the respective printer OEM. Compatible Cartridge covered in the category is the cartridge having the brand different than the respective printer brand or is manufactured by an entity other than OEM of the printer and is meant to fit in a particular printer for replacing OEM Cartridges.

(2) The Compatible OEMs are those entities who are vendor-assessed as per the special VA criteria applicable for compatible cartridges and have been allowed in the category based on favorable vendor assessment reports. They are required to upload catalogues strictly in terms of the VA report

(3) While uploading the catalogues, compatible OEMs are required to select the option under parameter product class as "Compatible" and the Printer OEMs uploading OEM Cartridges are required to select the option against product class as OEM. Any deviations in this regard is to be avoided and shall result in administrative actions against the respective OEM

(4) The buyers are requested to note that, when the OEM cartridges for different brands of printers are procured through bunch bids, they should opt for item-wise evaluation and not a total value-wise evaluation. This shall ensure that resellers of only one of the printer brands will also be able to participate in the bid. In the event of total value-wise evaluation only entities who are resellers for both the printers' brands shall be able to participate.
