3. Estimated Bid Value indicated above is being declared solely for the purpose of guidance on EMD amount and for determining the Eligibility Criteria related to Turn Over, Past Performance and Project / Past Experience etc. This has no relevance or bearing on the price to be quoted by the bidders and is also not going to have any impact on bid participation. Also this is not going to be used as a criteria in determining reasonableness of quoted prices which would be determined by the buyer based on its own assessment of reasonableness and based on competitive prices received in Bid / RA process.

4. Reverse Auction would be conducted amongst first 50% of the technically qualified bidders arranged in the order of prices from lowest to highest. Number of sellers eligible for participating in RA would be rounded off to next higher integer value if number of technically qualified bidders is odd (e.g. if 7 bids are technically qualified, then RA will be conducted amongst L-1 to L-4). Buyer Added text based ATC clauses

I. Bids shall be evaluated on site cost basis. The item-wise L1 bidder is decided, by taking the lowest site cost among all the bidders. In case of tender issued on package basis, L1 bidder is decided by taking the lowest overall total site cost of all items tendered.

If L1 bidder is MSE, 100% of the supply will be procured from them. If L1 bidder is not an MSE, then the following criteria will be considered:

1) In tender, if L1 firm has not opted for MSE preference, then other participating MSEs with quoting price within price band of L1+15% shall be allowed to supply a portion of the requirement after matching their price to L1 price and will be awarded order for 25% of total supply on price match with L1 firm price.

2) In case of more than one such MSE in purchase preference(L1+15%), then the 25% supply shall be shared proportionately (to tendered quantity) i.e., in case two or more MSEs are within L1 + 15%, all such vendors will be addressed to match their prices to L1 price and shall share the 25% of the ordered value equally.

3) Further, in case of non-divisible tenders, an MSE with lowest price quoting in the price band of L1+15% will be awarded for full/complete supply of tendered value, considering the spirit of policy for enhancing the government procurement from MSEs, subject to bringing down of price to L1 by the MSE concerned. If price not matched with L1 price, next MSE as per reverse auction ranking will be addressed for the same if price quoted is in purchase preference (L1+15%) and so on.

4) If none of the MSE firm matches their price to L1 price, then full quantity will be awarded to L1 firm.

II. Note: As per the MSME policy, to achieve 4% target from SC/ST vendors, the following options shall be exercised

1. Among the 358 items reserved for procurement from MSE firms, if any of the items are being manufactured by SC/ST vendors, the entire requirement may be procured only from SC/ST vendors.
2. If any of the SC/ST vendors falls within L1 + 15%, the entire 25% preference earmarked for MSE vendors may be placed on SC/ST vendors, irrespective of their price ranking among MSEs subject to bringing down of price to L1 by the SC/ST vendors concerned.

III. The bidders are requested to furnish Green Energy/Eco Friendly products manufactured/ supplied if any.
